Come and share in our fun and exciting festival at Yale College to celebrate equality and diversity. Students, staff and the community of Wrexham are all invited to join in and explore our heritage, to share an understanding of each other's differences and try new activities and experiences.

Food from around the World

Watch and taste at Live Cookery Demonstrations. Make sure you sample mouth-watering international dishes in Paned Iâl and Yale College Food Courts on both campuses. You should book ahead for a special menu available at Rendezvous Restaurant.

Collaborative Art

From 11 am onwards, drop in to Yale's Art Department to help make some 'Diversity Bunting' by creating a self-portrait with stitches using Yale's long arm quilter. Individual portraits will then be stitched together to create a celebratory bunting to illustrate our similarities and our individual differences.
